

NO MORE BLOOD MONEY PETITION

TO: _____

Print the Name of Your Delegate

I don't want any of my hard earned tax dollars being turned into BLOOD MONEY for the abortion industry. That is why I have taken the VFL PRO-LIFE PLEDGE for 2009.

I have pledged on the altar of my heart not to vote for ANY politician who votes for ANY budget with ANY money in it for Planned Parenthood or their abortion industry competitors the next time they run for office.

I will be watching to see whether you vote for any budget with ANY funds in it for Planned Parenthood. It offends me that Virginia pro-life politicians support budgets that give close to \$500,000 in taxpayer funding EVERY YEAR to Planned Parenthood. This money is used to promote promiscuity and abortion-on-demand. In 2000 alone, 98% of women seeking counseling from Planned Parenthood clinics ended their pregnancies with an abortion.

Signed, _____
